RETURNS / EXCHANGES POLICY

Allowable time frame: For any reason whatsoever, you can return up to 45 days from receipt of merchandise

Returns will NOT be refunded for the following:

Apparel Items that have been laundered, dirtied, damaged or altered in any way; or footwear that shows signs of street wear or scuff marks, with debris, dirt or pebbles embedded in the soles.

Items purchased at a retail location or through one of No Sweat's distributors must be returned to that location/distributor and cannot be returned through this process.

Additional policies:

The sender is responsible for the return postage to ship the item to us (we will refund this postage cost if the return is due to our error). We urge you to use a mail carrier that generates tracking numbers, such as UPS® or FedEx®, as we will not be responsible for lost packages. If you are requesting an exchange, you will not need to pay for any additional shipping or handling fees in order to ship the new product to you.

Please allow 1-2 weeks for receipt and processing of your return. When your return has been received and the refund transaction or exchange has occurred, you will receive an email notification to the email address you entered in the "Bill To" information section upon checking out the original order. The original form of payment will be refunded if item is returned or exchanged item costs less than the original item.
